DECISION

FWP/168261

PRELIMINARY RECITALS

Pursuant to a petition filed August 27, 2015, under Wis. Admin. Code § HA 3.03(4), to review a decision by the Milwaukee Enrollment Services in regard to FoodShare benefits (FS), a hearing was held on October 21, 2015, at Milwaukee, Wisconsin.

A hearing was previously scheduled for September 23, 2015. The petitioner requested the hearing be rescheduled due a work conflict, and the hearing was rescheduled to October 8, 2015. On October 7, 2015 the petitioner called requesting the October 8 hearing be rescheduled. He stated that he had to work and was also waiting for documents that he wanted to present at the hearing. His case was rescheduled to October 21, 2015. A hearing was held on October 21, 2015 as stated above.

The issue for determination is whether the agency correctly discontinued the petitioner's FS because he failed to comply with work program requirements in three months.

There appeared at that time and place the following persons:

FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of Milwaukee County.
2. On May 22, 2015 the petitioner completed a renewal for his FoodShare (FS) benefits.
3. The petitioner is an abled-bodied adult without dependents. The petitioner does not meet an FSET exemption.
4. The petitioner never enrolled in the FSET program. The agency set up initial FSET appointments for the petitioner on May 26, 2015, June 4, 2015, June 16, 2015, and June 24, 2015. The agency mailed the petitioner a notice for each appointment. The petitioner failed to call or show for all of the scheduled appointments.
5. The petitioner received FS benefits in June, July, and August 2015. The petitioner did not participate with the FSET program during those months.
6. The agency sent the petitioner a notice stating that his FS benefits would terminate September 1, 2015 because he failed to meet the FSET requirements.
7. On August 27, 2015 the Division of Hearings and Appeals received the petitioner's Request for Fair Hearing.

DISCUSSION

Pursuant to a provision of Wisconsin's 2007-2009 biennial budget, Wisconsin has operated a voluntary FoodShare Employment and Training (FSET) program since 2008. The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) limits the receipt of FS benefits to three full months in a 36-month time period for Able-Bodied Adults without Dependents (ABAWDs) who do not meet the work requirement or meet an exemption from the work requirement.

6.3.2 Non-Exempt ABAWD Participation Requirements

Non-exempt ABAWDs who do not meet the ABAWD work requirement will only be allowed to receive up to three full months of FoodShare (FS) benefits in a 36-month time period. ABAWDs subject to time-limited benefits (TLBs) may choose to meet the work requirement by participating in FSET.

As part of Wisconsin's 2014-15 biennial budget, 2013 Wisconsin Act 20 created Wis. Stat., §49.79(10), which mandated FS eligibility and work requirements for ABAWDs to be implemented in Wisconsin beginning in 2014, consistent with federal regulations 7 CFR §273.7 and 7 CFR §273.24. The program began in Milwaukee County effective April 1, 2015, and FS recipients were required to meet the requirements beginning with the next FS review completed after April 1, 2015. *FoodShare Wisconsin Handbook*, §3.17.1.2.

Under Wis. Stat., §49.79(10), an ABAWD is required to fulfill a work requirement. If he does not fulfill the work requirement, he is limited to receiving no more than three months' FS during a three year period. The requirements are stated in the *FSET Handbook*, as follows:

6.3.2.1 Definition of Working for ABAWDs

For ABAWDs, working is defined as one of the following:

- Work in exchange for money;
- Work in exchange for goods or services (in-kind);

- Unpaid work (e.g. volunteer work, community service);
- Self-employment; or
- Any combination of the above.

6.3.2.2 ABAWD Work Requirement

An ABAWD is considered to be meeting the ABAWD work requirement if one of the following applies:

- Working a minimum of 80 hours per month. Use converted work hours if paid weekly or bi-weekly;
- Participating in and complying with the requirements of an allowable work program at least 80 hours per month; or
- Both working and participating in an allowable work program for a combined total of at least 80 hours per month.
- Participating in and complying with the requirements of a workfare program.

FSET Handbook, §§ 6.3.2.1 & 6.3.2.2; and see *FoodShare Wisconsin Handbook* at §3.17.1.

To meet the work requirement the ABAWD must work a minimum of 80 hours per month, participate in a work program 80 hours per month, or a combination of both for 80 hours per month. *FoodShare Wisconsin Handbook*, §3.17.1.7. The person is limited to three months of FS eligibility in which he is not meeting the 80-hour requirement and is not exempt. *Ibid.*, §3.17.1.9. FS ends after three months of failing to meet the work requirement, but eligibility can begin again if the person becomes exempt or meets the work requirement for a 30-day period (the person could reapply for FS *after* meeting the requirement for 30 days). *Ibid.*, §3.17.1.11. Among other reasons, as stated in Finding of Fact No. 3, above, a person can be exempt from the program if he is unfit for employment, that is, he is unable to work as evidenced by a statement by a health care professional or social worker. *FoodShare Wisconsin Handbook*, §3.17.1.5.

In fact, the *FSET Handbook*, at section 3.5.2, specifically states in this failure to enroll situation, as follows:

In order for a non-exempt ABAWD to meet the work requirement through FSET participation and maintain ongoing FS benefits after the TLB month, s/he must be enrolled and fully participating in FSET by the 10th day of the third TLB month. The FSET worker should document in PIN comments information relating to each contact that is attempted.

The petitioner testified that he was participating in a different program. He submitted a letter from the Center for Self-Sufficiency showing that he enrolled in their project 180 in May 2015. This is a program to aid successful return home to Milwaukee following incarceration. At the hearing the petitioner testified that he was not participating in this program for 80 hours per month in June, July, and August 2015. This was not an FSET program. The program is not set up to meet the required monthly FSET hours, and thus even if the petitioner's hours with this program could qualify, he still would not have met the required monthly FSET hours. The petitioner also never contacted the FSET program to explain that he was completing a different program.

In order to regain eligibility for FS benefits a person must begin working the required 80 hours per month or meet an FSET exemption. The *FoodShare Wisconsin Handbook* provides the following for *regaining* FS eligibility:

3.17.1.11 Regaining Eligibility after Exhausting 3 Months of Time-Limited Benefits

There is no limit on how many times an ABAWD may regain eligibility after exhausting three months of TLBs. A new application is required if the ABAWD re-requests FS as an assistance group of one. If an ABAWD is requesting FS on an ongoing case, follow the person add policy to re-establish FS eligibility ([6.1.3.3](#)). ABAWDs who have exhausted three months of TLBs during a 36-month period may regain eligibility by:

1. Meeting the ABAWD work requirement for at least 30 consecutive days prior to the new FS filing date and currently meeting the work requirement, OR verifying that the work requirement will be met within 30 days of the new filing date. The work requirement can be met by:
 - Working a minimum of 80 hours in the 30-day period;
 - Participating in and complying with requirements of an allowable work program, such as Workforce Investment Act (WIA) or a Trade Adjustment Assistance Act program, for at least 80 hours in the 30-day period. FS eligibility is a required prerequisite to FSET enrollment, so an ABAWD cannot regain eligibility through FSET participation after FS closes. Keep in mind, this is only for Non-Exempt ABAWDs who have exhausted their 3 TLBs; or
 - A combination of work and participation in an allowable work program for a minimum of 80 hours in the 30-day period;
2. Currently meeting an ABAWD exemption at the time of the application and providing verification of the exemption; or
3. The ABAWD's 36-month period expires.

An ABAWD who has exhausted 3 months of TLBs and is not meeting one of the above requirements at the time of re-application is ineligible for FoodShare. If the ineligible ABAWD is a member of an open FS group, the ABAWD will be counted as a pro-rated deemer. See [4.7.5 Prorated Deeming](#).

Fortunately the petitioner was successful in finding work. He provided pay checks showing that between September 13, 2015 and October 3, 2015 he worked 80.75 hours. It appears that he would be eligible for FS benefits if he were to reapply. This assumes that he continues to work for the Staffing Partners at least 80 hours per month. The petitioner should reapply as soon as possible.

CONCLUSIONS OF LAW

The agency correctly discontinued the petitioner's FS because he failed to comply with work program requirements in three months.

THEREFORE, it is

ORDERED

That the petition is dismissed.
